Summary

One shot. As Squigly and Leviathan battle Marie, Squigly hears Red's voice humming in her head.

- A translation of [Squigly fredonne avec elle](#) by [MiaQc](#)

As Squigly and Leviathan battle Marie, Squigly hears Red's voice humming in her head. Squigly hums along with her. She adapts her fighting style to the melody despite her parasite's reluctance. When Marie is defeated, her last words are, "Who's singing? It's beautiful."
